Function: *noun*

An agreement or pledge to do something in the future; *especially* : an engagement to assume a financial obligation at a future date **b** : something pledged **c** : the state or an instance of being obligated or emotionally impelled <a *commitment* to a cause>

Commitment Letter:

I \_\_\_\_\_ understand and I agree to pay for LukeCamp with my commitment, hard work, positive attitude and a desire to learn and have fun! Further, I agree to obey the policies and guidelines listed on the back of the LukeCamp permission slip. LukeCamp cost \$1,250.00 for one camper to attend for the entire summer. I understand that I am receiving a scholarship for \$1,150.00 making it possible for me to attend LukeCamp.

To demonstrate personal responsibility and develop my ability to save, work hard and trust God to help me achieve great things I will commit to earn \$100.00. The \$100.00 will enable me to attend LukeCamp and the money is due two weeks before LukeCamp begins. I \_\_\_\_\_, will seek permission from my parents before embarking on any business ventures to raise the \$100.00.

The Luke Project, Inc. agrees to help you pursue excellence in every area of life. We will provide Basic Life Skill Classes, Bible study, field trips, supplies, tee shirts and opportunities to earn outstanding rewards listed on the LukeCamp calendar. On a weekly basis you will have the opportunity to **earn** field trips and LukeCash to spend at the LukeStore. Your hard work, commitment and excellent behavior will yield great rewards. However, even though you earn \$100.00 towards your scholarship, if you misbehave during the week of a reward field trip and or do not attend LukeCamp you will not be eligible for the trip that week.

All of my questions have been answered \_\_\_\_\_ / Camper Initials on Line.

I commit to the above and will be able to attend 5, 6, 7, 8 or all 9 weeks of LukeCamp this summer. Circle One.  
Note: Please review school, sports camp and family vacation calendars before signing this commitment letter.
