

LukePrep - Leadership Development 2010

We are so excited to announce that eighty students completed our Leadership Development class during the first semester of the school year. Special thanks to UNUM who provided some Christmas Hoodies as a special gift reminding the students with a leadership slogan on the back that read, Character - "Who I am when no one is watching me."

Golf Tournament - April 27th - 2011

Visit www.lukecamp.com to register for the golf tournament benefitting LukeCamp. Your financial support enables us to serve 50 children for eight weeks at LukeCamp this summer.

LukeSports

Basketball is well underway and by the time soccer season arrives we will have added four schools to the LukeSports league in four months. The growth and impact is far beyond anything we could have imagined. God's favor and hand of protection has been a constant for us over the years. Lord thank you... *Jeff and Norita Gorman*
