

Dasani enjoys his first day at LukeCamp. He will learn about marriage, superheroes in the Bible, money management, fitness and enjoy more than ten really cool field trips this summer. Keep praying as he discovers God's incredible love for him.

Darrell, pictured right, is off to a fantastic start this summer. His behavior is much improved and he memorized two verses of scripture this week and earned his first field trip with The Luke Project. It took three years to earn his first trip but he pressed on and made wise choices. Special thanks to the men of Providence United Methodist Church

as they sponsored Darrell and have been praying for him. God is definitely at work in this young man's heart and it shows!

Dana, pictured left, enjoys teaching Marriage 101 during our basic life skill time. Basic life skill classes are taught daily at 10:10 a.m. and 11:10 a.m. The children age 7-14 are learning about safe group dating, the procedural aspects of marriage and God's beautiful plan for marriage by the book, the Bible.

Trusting and Thanking God for Great Things,
Jeff & Norita Gorman

Imani takes a break from college to drop by LukeCamp and volunteer before summer courses resume. She did an awesome job encouraging campers, cleaning, assisting with small group Bible study and of course having fun. Great Job and many THANKS!

Please keep the campers, volunteers and staff in your prayers.
