

Over the last three years, Courtney, who is pictured left driving to the basket, has been one of our all stars in LukeSports. He recently received a full scholarship to Holy Innocents' Episcopal School. We are very proud of Courtney as straight A's pay off Big Time!

LukeSports 2009

We currently have six schools involved with LukeSports and the privilege of serving 350+ student athletes.

Nagi, pictured left, graduated from Fort Valley State in May and serves as our announcer for LukeSports football games. Nagi was a star athlete with The Luke Project leading our soccer team to 15 straight fall / spring victorious seasons. Now a graduate student, Nagi and I work alongside a fantastic support staff made up of Ward, Steve, Derrick, Alonzo, Morris, Ngandu, Paul, Art, Patrick and a host of volunteers.

When you consider volunteering, becoming a strategic financial partner or praying for the wonderful young people we serve, remember this important truth - you are one part of a long, beautiful process not just a program as we take steps closer to excellence and deeper relationship with our Heavenly Father.

*Trusting and Thanking God for Great Things,
Jeff & Norita Gorman*

Afyia, pictured below, once again made straight A's during the 2008-2009 school year. She is off to another great start this year!
