

July 2017

LaMarshall,

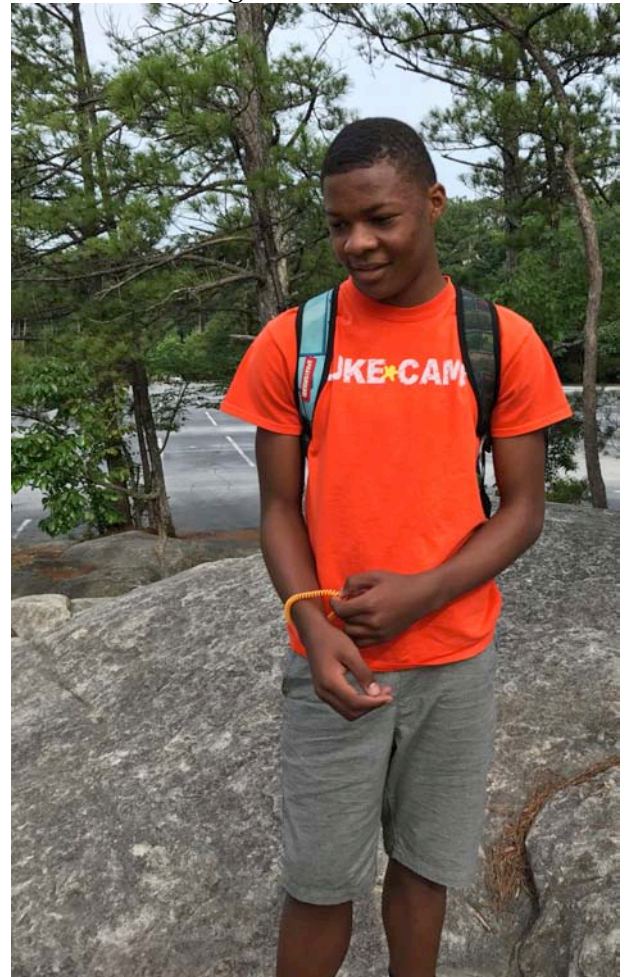

pictured right, had a great summer as a Junior Counselor helping out with cleaning, leading campers, serving food and coordinating fun time. His dad wrote in stating... "LaMarshall Jr. and me thank you from the bottom of our hearts for the leadership and for the camp this summer. We are looking forward to next year. Take care and I pray that God will continue to shower down favor..."

LukeCamp 2017

Thank you for your prayers and support.

Terrance, alumni from LukeCamp 2016, invited Rashad to join him at LukeCamp for 2017. Both boys had an amazing summer and this is how kids get connected. Wise friends help us make wise choices and we are super excited about how the campers support each other as they strive to make wise choices. See Proverbs 13:20

Malik 16, pictured back, completes his first year as a staff member!

Michael, age 8, pictured right in blue, was the youngest camper to ever earn the trip to Big Canoe and Camp Highland.

God has an amazing plan for Michael and we cannot wait to see how He is going to use him!

LukeCamp ended very well with the Luke campers serving over 600 kids and 200 volunteers this summer.

Jesus thank you!

Please use the promo card inside of your envelope to introduce a friend to the The Luke Project, Inc. We need to expand our support base as we grow to serve more children. Thank you.

Thank you for your support and prayers!
